Good Afternoon Ms. Kot,

Can you please let me know why the Board Communication section been missing from the agenda?

I am emailing the OPRA email address to request all items that fall under this category since January 1 2023- that is - all correspondence sent to the full board of education.

Thank You.

John Migueis

Good afternoon Mr. Migueis,

As far as I can see the Board Correspondence section isn't missing. Both the January Reorg and the February 2nd Board Training were not regular meetings, so that section would not have been included on those agendas. The January 19th meeting contained a Board Correspondence section, and while I wasn't present, I understand that all items falling into that category were orally reported out on. Similarly, tonight, Board Correspondence will be reported out at that point in the agenda.

Thank you for your question,
Julie

Yes but the written record was removed from the agenda. Why? Can you understand how this will increase the OPRA burden? In any case I submitted an Oprah request for those communications. I do appreciate your response.

On behalf of Mr. Stephen E Hopkins, Director and Custodian of Records, attached please find correspondence in response to your recent OPRA request.

If you have not done so already, we encourage you to complete the [OPRA Request Form](#) and send it to OPRA@bhpsnj.org for efficient processing.
