Dear Members of the Board and Dr. Varley,

It is with a heavy heart that I am writing to inform you of my decision to retire from my position as school principal with the Berkeley Heights School District. After much consideration and reflection, I have concluded that it is time for me to move on and preserve my physical and emotional well-being.

Over the past four years, I have encountered numerous instances of unprofessional behavior, disrespect, and toxicity from district level leadership. Additionally I have been tasked with supervising the K-2 ELL program (a position previously held by the World Language and Social Studies Supervisor) beginning in September, a role that does not tap my expertise or knowledge base.
