Dear Members of the Board of Education:

It is with a heavy heart that I am writing to let you know of my intention to offer my resignation as MKM Principal with the Berkeley Unified School District. After 20 years of service, I have decided to leave the district to pursue other opportunities.

Over the course of my career, I have been fortunate to work with a number of exceptional educators, administrators, and community members who have supported me in my role as Principal. I am grateful for the opportunity to have worked with you and for the support and guidance you have provided.
