Hi Sai, this language was in the zoning ordinance cleanup discussed during last week’s meeting. This specific language is on page 53. Here is the link to the changes: <https://www.berkeleyheights.gov/AgendaCenter/ViewFile/Item/173?fileID=3854>. Last week’s meeting was a conference session on the changes. The introduction of this ordinance will be at our next meeting, Dec. 5.

Thank you and have a great week!

Sai and others,

I met with Keenan today and we are making additional changes to the sign section of the ordinance, specifically the political sign and other community signs. We should have an updated marked copy within a day.
