# **“There’s Nothing Nefarious Going on”- Councilman John Foster**

**BOE was not involved in CMS Ballot Question and Lease only became available for public view just before BOE Meeting (AFTER people voted on the referendum) and after over a year of NJ21st asking for copies.**

**Township fabricated insurance issue to lock kids out of tennis courts with Township Attorney threatening to make sure everyone blames the District.**

**Mayor, Rec and Entourage take over BOE Budget Meeting screaming “urgency” yet wait an entire week to vote on agreement.**

**Corporate Media publishes Mayor And Rec Departments Inaccurate Timeline and Commentary with No Fact Checking**

**Township sets up meeting for 3:30pm in afternoon Tuesday not letting anyone know it’s zoom-only and comments are zoom-only. The complete OPPOSITE of every other Council Meeting**

**If Mr. Foster wants people to believe that nothing nefarious is going on maybe he and his colleagues should stop acting like something nefarious is going on.**

**We're not sure why the "emergency meeting" on the CMS Lease Agreement is happening today at 3:30 PM—a full week after the BOE rushed to approve the agreement during a meeting that was supposed to focus on the budget.**

**The timing—right in the middle of the workday—makes it difficult for most families to attend. We can only assume that's intentional, to limit who shows up and what gets said. Unlike the BOE, the Council does not allow Zoom Participants to speak.**

**That said, if you're able to attend the Town Council meeting, it's happening today at 3:30 PM.**

## **Notes from The Week**

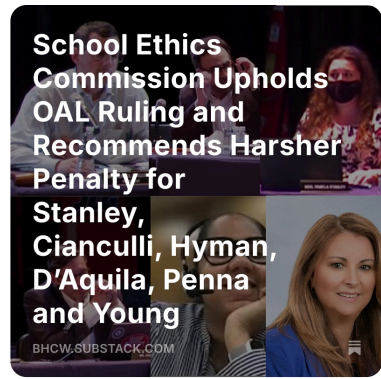

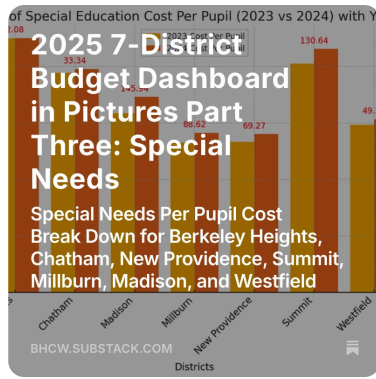

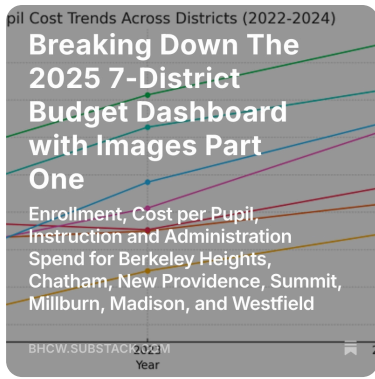

This week, we'll be transitioning to a new hosting provider due to disk space getting tight and traffic demands continuing to increase.

We don't anticipate any disruptions, but if there are any hiccups, you can always visit our Substack page (<https://bhcw.substack.com/>) for the same content.

After this change [NJ21st.com](https://nj21st.com) will be our primary address but you will still be able to access our site using [bhcommunitywatch.com](https://bhcommunitywatch.com).

Fingers crossed! Thanks for your support!
