John,

In response to your OPRA request for “Materials in connection to the invoices including written materials, video, images, written communication of an advisory or consultative nature connected to this invoice”, please see the attached documents.

Please Note:

- The Social Media file has postings which were also made on our Instagram and/or Twitter accounts, VMMI also posted them.
- The VMMI_Redacted document provides correspondence. This file contains redactions of personal email addresses, pursuant to N.J.S.A. 47:1A-1.1 Personal Identifying Information.
- The VMMI_Share document has some images that were not transferring. Please let me know if this is sufficient for your request.

There are some additional correspondence records which I have pulled, but I will need an extension for the review for responsiveness and legal review, if necessary. I will respond to your request by Monday, March 17, 2025.

Regards,

Angela Lazzari

Mr. Miguez,

I am in receipt of your OPRA request dated February 28th for 1. "all invoices from [Vision Media Marketing](#)" and 2. "the work product associated with those invoices" for the Time period: 01/01/2025 through 02/28/2025.

In response:

1. The invoices requested are attached.
2. Please further clarify what you are requesting as "work product" since this is overly broad and unclear.

Regards,

Angela Lazzari

Hi Angela,

Please provide all invoices from [Vision Media Marketing](#).

[VMMI - Vision Media Marketing, Inc. | New Jersey Public Relations](#)

Vision Media Marketing, Inc. (VMMI) is an award winning, highly creative and deeply experienced public relations and media consulting firm. We work with our clients to break through and tell their story to help them win elections, drive public opinion and reach their

www.vmmi.net

Please provide the work product associated with those invoices.

Time period: 01/01/2025 through 02/28/2025

Given the unusual nature of this service being funded by a small community—and in light of the Mayor, Council, and Recreation Chair's coercive tactics regarding the CMS field, their involvement of other community organizations despite claims of confidentiality, and reports of the Township encouraging disruptions at the District's budget meeting on 03/18—we believe it is in the public's best interest to closely monitor this firm and its activities.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I, or another person, WILL NOT use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding
