

TOWNSHIP OF BERKELEY HEIGHTS

29 Park Ave, Berkeley Heights, New Jersey 07922

908-464-2700 • <https://www.berkeleyheights.gov/>

Preliminary Storm Damage Assessment from Berkeley Heights

Office of Emergency Management

***These are preliminary estimates to plan for these repairs, some of which have already begun and are being paid for with existing Township funds. Township will follow all state/local purchasing law as applicable. Prices do not all include additional professional/engineering costs that may be needed for some projects, such as design for additional drainage measures, etc.*

Facility Damages:

Sewer Plant/Hampton Drive Pump Station

- Pump 1 (clogging issue) \$1,463.75
- Pump 3 (electrical overload) \$810.00

Roads:

Russo Place:

(Damaged/lifted asphalt/stone & debris in storm drain pipe)

Addresses of where there is damage: 7,22,23,34

Quotes for repair:

- \$100,845.00
- Camera storm drainpipes/ Remove stone & debris from pipes: \$375,000.00

Park Avenue near Mountain Avenue Intersection:

(Lifted asphalt/electrical basin repair)

Quotes for repair:

- \$25,865.00
- \$27,416.00

Wentworth Drive:

(Damaged/lifted asphalt)

Addresses of where there is damage: 25, 36, 46 ,56, 76, 95, 96, 106, 115, 116, 125, 126, 136, 146, 166

Quote for repair: \$445,254.72

Sussex Road:

(Damaged/lifted asphalt)

Addresses of where there is damage: 15, 19

Quote for repair: \$116,556.48

Lee Lane:

Erosion/voids under the roadway

Addresses of where there is damage: 31

Quotes for repair:

- \$3,225.00
- \$4,000.00

Wardle Avenue:

(Damaged/missing asphalt)

Addresses of where there is damage: 12, Opposite of 12, 17

Quote for repair: \$153,291.60

Bristol Court:

(Damaged/missing asphalt)

Addresses of where there is damage: 10, 28, 34, 40

Quote for repair: \$250,704.72

Balmoral Drive:

(Damaged/missing asphalt/lifted)

Address where there is damage: 19, and also entire length along curb line leading to Kline Blvd.

Quote for repair: \$278,209.44

Rutherford Road:

(Damaged/missing asphalt)

Addresses where there is damage: 4, 44, 66, 57, 245 (Spring Ridge Drive but on the Rutherford Road Side)

Quote for repair: \$282,483.44

Cambridge Drive:

(Damaged/missing asphalt)

Addresses where there is damage: 44, 52, 78, 101, 112

Quote for repair: \$306,348.24

Twin Falls Road:

(Damaged blacktop along curb lines)

Addresses where there is damage: 8, 59, 67, 73, 87, 95, 109, 115, 121

Quote for repair: \$316,866.48

Hampshire Road:

(Damaged/missing asphalt)

Leading up to the entire intersection of Baldwin Drive

Quote for repair: \$221,999.40

Spring Ridge Drive:

(Damaged/missing asphalt)

Addresses where there is damage: 148, 181, 197, 206, 214, 236, 245

Quote for repair: \$538,942.80

Evergreen Drive:

(Damaged berm/missing asphalt)

Addresses where there is damage: 28, 44, 60, 70

Quotes for repair:

- \$5,120.00 (70 Evergreen Drive)
- \$2,800.00 (44 & 60 Evergreen Drive)

Firehouse Driveway:

(Damaged asphalt in front of entrance)

Quotes for repair:

- \$3,390.00
- \$6,750.00

Holy Glen Lane:

(Damaged/missing asphalt)

Address where there is damage: 231

Quotes: for repair:

- DPW will repair

Rogers Avenue (Off Emerson Lane)

(Damaged/missing asphalt)

Addresses where there is damage: 35, 45, 66, 101, 103

Quote for repair: \$282,519.60

Kingman Road:

(Damaged asphalt/severe erosion on left side of roadway leading to drainage ditch/drainage ditch is now deep in areas and in need of stone)

Quote for repair: \$167,877.60

Crest Drive Cul-de-Sac:

(Damaged/broken-up/lifted asphalt)

Quote for repair: \$81,519.12

Overlook Drive:

(Damaged broken-up/missing asphalt)

Addresses where there is damage: Intersection of Overlook Drive & Fern Place, 18, 28, 37, 38, 47, 48

Quote for repair: \$259,692.72

Circle View Avenue:

(Missing asphalt/wash-out throughout the curblane)

Addresses where there is damage: 120, 130, 140, 150

Quote for repair: \$76,089.12

Watchung Way:

(Missing asphalt/wash-out throughout the roadway)

Quote for repair: \$301,317.36

Dogwood Lane:

(Damage to curblane and asphalt wash-out)

Addresses where there is damage: 48, 49, 57

Quotes for repair:

- \$2,255.00
- \$9,700.00

Holy Glen Lane South:

(Damage to curblin and asphalt wash-out/road is sunken in parts going down to Holy Glen Lane)

Addresses where there is damage: 6, 17, 64, 90

Quote for repair: \$321,525.60

Bridges/Culverts

Locust Avenue Culvert:

(Filled with stone and debris)

Quotes:

- \$7,640.00
- \$16,525.00

Summit Road/Sussex Road Culvert:

(Filled with stone and debris/wash-out)

Quotes: add storm drains and curbing on the Sussex Road side and install a basin in the middle of the drainage ditch to capture additional water flow heading down towards Summit Road)

- \$96,685.00

Hampton Drive Bridge:

(Foundation wash-out in and around bridge)

Quotes:

- \$8,500.00
- \$6,900.00

Sutton Drive Bridge:

Working with Union County on ownership question

(Foundation wash-out in and around bridge)

Quotes:

- \$7,425.00
- \$7,500.00

Liberty Avenue Bridge:

(Foundation wash-out in and around right side of the bridge)

Quotes:

- \$29,875.00
- \$31,000.00

Orion Road Bridge:

(Foundation wash-out in and around the bridge)

Quotes:

- \$5,675.00
- \$5,700.00

Berkshire Drive Bridge:

(Foundation wash-out in and around the bridge)

Quotes for repair:

- \$12,475.00
- \$12,500.00

Lee Lane Bridge:

(Bridge is loose at the base of the roadway and missing cement joint throughout the front wall/filled with stone and debris leading up to the pipes)

Quotes for repair:

- \$2,440.00
- \$4,750.00

Lawrence Drive/Kline Blvd Bridge:

(Filled with stone and debris and include storm drain pipe at 162 Kline Blvd)):

Quotes for repair:

- \$3,260.00
- \$7,000.00

23 Evergreen Drive:

Stream that leads to catch basin in rear of the yard.

(Stream is filled with stone and debris/concrete box wall is destroyed/large rock and debris is now downstream of catch basin/back-yard of property needs to be cleaned of rock and debris)

Need the Engineering Department to design a solution.

Quote:

- \$12,875.00

COMPLETED 7/29/2025

31 Evergreen Drive:

(Storm-drain and drainage basin in back-yard is buried under rock and debris from 23 Evergreen Drive).

Quotes: (see above)

NEW: Install 2 storm sewer grates to capture additional flood waters from 23 Evergreen Drive overflow.

Quote: \$11,275.00

COMPLETED 8/01/2025

71 Saw Mill Drive:

(Stream in back of home is filled with stone and debris)

(Possibly swap out catch basin headpieces to capture additional storm water)

Price Quotes:

- \$3,700.00

COMPLETED 7/31/2025

1041 Plainfield Avenue:

Large trees in brook blocking waterway

Price Quote: \$4,940.00

Lawrence Drive to Robbins Avenue Asphalt Path:

(Replace damaged fence)

Quote for repair:

- \$1,975.00
