3 YEAR TERM – VOTE FOR TWO

From: Joanne Rajoppi <jrajoppi@ucnj.org>
Sent: Tuesday, September 23, 2025 3:36 PM
To: NJ21st Team <team@nj21st.com>
Subject: RE: Berkeley Heights corrected ballot

Ballots cannot be double counted. There will be a "Corrected Ballot" envelope for the voters as well as a "Corrected Ballot" return envelope which notifies the BOE when they count. We also plan to notify any early voters who have not yet received the corrected ballot so they will have a chance to vote for three candidates. Despite proofing and checking more than 70 different ballot types, there is always a possibility of an error.. This is a rare occurrence. We take our work in elections very seriously.

Regards,

Joanne Rajoppi

Also, how are you sure that existing ballots will not be double counted? It's my feeling that at this point the state of New Jersey should oversee this election because this whole thing is starting off very problematically.

How is it a printing error after you were notified back in July? Don't you think you should have taken extra care to make sure that you didn't make the mistake? And why was the mistake not corrected on the website? Was that a printing error? You left it uncorrected on your website for weeks.

Subject: Berkeley Heights corrected ballot

Good afternoon,

Thank you for your email. The "vote for two" pm the Berkeley Heights School Board ballot is incorrect and constitutes a printing error which unfortunately was not caught. We are in the process of printing corrected ballots and working with the Board of Elections to insure that all corrected ballots which will be marked as such will be read and counted.

Thank you for contacting us.

Regards,

Joanne Rajoppi
