Scope:

This policy applies to all customers making in-person payments using cash for taxes or other amounts collected by the Township when the customer is unable to pay in exact change.

Policy Statement

1. Rounding of Cash Transactions

- When a customer pays a tax bill in cash, the final balance due shall be rounded up to the nearest \$0.05 (five cents).

2. Rounding Rules

- Amounts ending in \$0.01 through \$0.04 will be rounded up to \$0.05.
- Amounts ending in \$0.06 through \$0.09 will be rounded up to \$0.10.
- No amounts will be rounded down under any circumstances.

3. Application of Excess Amounts

- Any amount collected above the exact billed charge due to rounding shall be credited to the customer’s next quarterly tax bill.
- The credit will be shown on the customer’s receipt and on the next billing statement.

4. Electronic Payments Unaffected

- This rounding policy does not apply to payments made by check, ACH, credit/debit card, or online payment platforms.

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.
- If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements.
- No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.
- Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
 - 6 years. (Over 10,000 and all county governments)
 - years exceeding minimum time period.
- Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

**TOWNSHIP OF BERKELEY HEIGHTS
NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM**

The Capital Improvement Program presented herewith is an estimated projection of Capital Projects for the next six years. It should be noted that the foregoing does not represent an appropriation of funds for the purposes listed, but merely a plan of capital improvements that are being contemplated in 2026 and the ensuing five years. A funding authorization is required in the form of a budget appropriation or capital ordinance before monies are available for the projects outlined in this section.

Every effort has and will be made by the Mayor and Township Council to plan improvements which are responsive to the needs of the community. Should unanticipated needs arise, the capital program will be revised or amended accordingly.
