One of our Merchants - Bacci has placed a big wall screen TV up in the Bistro. The Restaurant is packed. Canada vs. Qatar. Possibly on your Facebook and/or Instagram page.. you might want to post the picture. As a Resident I have been a customer of this Restaurant over the years. One of the owners (Nick) and one of the Chefs are pictured here, too. It is great to capture the spirit of Team Sports. Young Adult and every age. . Word Cup.. School Teams.. USA Olympias, etc. !!!
